

CAMP SOONER 2010

Parent Information

We are very thankful that you are considering sending your child to church camp this summer at Camp Sooner. We cannot stress how important we feel camp is to kids. There are so many aspects of fundamental growth that you get at church camp that you can't get anywhere else. It is in that vein that we ask you to please read over our rules and make sure that you comply with your child. This ensures that our campers have the intended experience while at Camp Sooner. The first thing you will need to do is determine which week of camp you are sending your child to. Junior and Senior High weeks 1 & 2 are assigned weeks. Please check the list to make sure you register your child for the correct session. We divide our weeks of camp by the grade the camper is going into this fall. We do not allow for campers to attend a session that is beyond their grade level; however, your child can move down a session. So, for instance, if you have a fourth grader who isn't quite ready for an extended stay at camp, they are more than welcome to attend Middler week, but a fifth grader cannot attend Junior High camp. Also, it is a policy of Camp Sooner to never turn away a camper because of their inability to pay for their session. If you need tuition assistance, please see your youth minister or contact us at the camp.

What to Bring or Not

The most important and most often neglected thing that we ask of you is to observe the guidelines of what to bring to camp (and what to leave home). The first thing that we ask you to have your kids leave home (and, yes, we know this is hard) is their cell phone. We know all the reasons kids would want or need their phones, but we feel that cell phones are a huge distraction while at camp. We cannot possibly police everyone's phone usage, so it is simpler to ask that everyone leave them at home. If you need to contact your child while he or she is at camp, you may call us and we will either relay a message to your camper or have them call you back on our camp phone. If cell phones are brought to camp, they will be taken at the beginning of the week and will not be returned until after prayer circle on the final day. Other things we ask you to have your camper leave at home are electronic devices (includes cd players, radios, iPods, MP3 players, Blackberries, etc), fireworks, and items of value (like expensive clothes or irreplaceable items). Bringing any drugs, alcohol or any tobacco product is forbidden and doing so will result in your child being sent home immediately.

You may be asking yourself what your child **DOES** need to bring to camp. Here's a good list:

- Clothes & extra shoes (include clothes to play in, get dirty in, and swimwear)
- Towels/washcloths for showers and/or swimming
- Twin sized bedding or sleeping bag & a pillow
- Toiletries (soap, shampoo, toothbrush, etc)
- Extra Money for canteen and missions
- Bible, pens, paper/note pads, etc
- **Any medication that your child takes regularly, labeled with dosage & intervals in a Ziploc bag.**
- Flashlight
- Sunscreen & Bug spray
- Optional Items: Flashlight, extension cord/power strip, camera, goggles, sports equipment (like shoes, gloves, bats, braces, etc).

Dress Code

Our dress code is fairly simple and straightforward—modesty will prevail in all matters. For a specific list of what to wear, see our website: campsooner.com.
